SEED TREATMENT

Product Information:

DuVet ST is a premium zinc based seed treatment, utilizing zinc EDTA providing early plant nutrition, development, and uptake. **DuVet ST** is recommended as an additional zinc application method and is not intended to replace other zinc products. **DuVet ST** is a highly efficient readily available chelated zinc to help support crop growth in cold soils where zinc uptake can be limited.

DIRECTIONS FOR USE

DuVet ST can be applied by itself or in combination with Fungicide and Insecticide blends and is compatible with seed inoculants. Always do a jar test to make sure all blends are compatible.

SHAKE WELL BEFORE USE

RECOMMENDED APPLICATION RATES

DuVet ST is for use as a pre-plant commercial seed treatment. It can be used on but is not limited to the following Seeds listed in the table below. General use rates range from 2 – 10 oz / cwt for most crops.

Recommended rates for specific crops

Crop	oz/cwt (100 lb seed)
Soybeans	2 - 4
Corn	3 - 6
Cotton	4 - 6
Rice	2 - 4
Wheat	2 - 4

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS BIOSCIENCE™ PLANT HEALTH TECHNOLOGIES shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
