

GAUNTLET™

SURFACTANT • DRIFT REDUCTION AGENT • DEPOSITION AID

PRINCIPAL FUNCTIONING AGENTS:

Polyoxyethylene sorbitan monooleate, Ethoxylated seed oil,
 Copolymer of alpha-and beta-pinene 100%

TOTAL 100%

Contains petroleum distillates

Surfactant content: 35.0%

All ingredients are exempt from tolerance under 40 CFR 180.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label at hand.
 Keep out of reach of children. Read label before use.

Prevention:

Wash hands, face and other affected areas thoroughly after handling.
 Avoid breathing vapors. Contaminated clothing should not be allowed out of the
 workplace. Wear protective gloves, protective clothing and eye protection. Use only
 outdoors in a well-ventilated area.

Response:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses
 if present and easy to do. Continue rinsing. **If eye irritation persists:** Get medical
 advice/attention.

IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical
 advice/attention. Wash contaminated clothing before reuse.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable
 for breathing.

Note to Physician: Contains petroleum distillate - vomiting may cause aspiration
 pneumonia.

In case of emergency call CHEMTREC at 1-800-424-9300

KEEP OUT OF REACH OF CHILDREN

WARNING

Read Entire Label Before Using This Product

SHAKE WELL BEFORE USING

HAZARD STATEMENTS

May cause an allergic skin reaction.

Causes eye irritation.

May cause respiratory irritation.

CROP CARE**

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Note to Physician: Contains petroleum distillate - vomiting may cause aspiration pneumonia.

PRODUCT INFORMATION

GAUNTLET is a tank mix adjuvant formulated to provide optimal pesticide spray performance by enhancing deposition of the spray application. **GAUNTLET** suppresses off-target drift of spray applications by providing a more uniform pattern and velocity of the spray droplets. **GAUNTLET** can be used with air assist and conventional spray nozzles. **GAUNTLET** can be used with herbicides, including desiccants, insecticides, fungicides and plant-growth regulators, in keeping with pesticide label recommendations. **GAUNTLET** maximizes pesticide performance by improving spray coverage and through enhanced retention and infiltration of the targeted leaf surface. Many factors affect off-target drift such as spray boom height, nozzle configuration, spray pressure, temperature, wind and thermal inversion. **GAUNTLET** will not eliminate all drift.

DIRECTIONS FOR GROUND AND AERIAL USE

Always read and follow label instructions of accompanying pesticide product.

Tank Mixing and Direct Injection Rates for Herbicides, Fungicides and Insecticides:

Add 1 to 2 quarts (0.25%–0.5% v/v) per 100 gallons.

For spray rates of 5–25 gallons per acre, use 2–4 ounces per acre.

For spray rates of 25–40 gallons per acre, use 5–8 ounces per acre.

For spray rates above 40 gallons per acre, use up to 10 ounces per acre.

FOR DIRECT INJECTION

GAUNTLET can be applied through injection systems when added to one of the system's chemical injection tanks. An in-line mixing chamber is recommended.

- First, add **GAUNTLET** to the chemical injection tank;
- Second, pump the correct amount of **GAUNTLET** into the line;
- Third, pump the proper amount of water, pesticide, fertilizer and other adjuvants into the line, for mixing with **GAUNTLET** and chemicals, before going into the spray boom.

USE PRECAUTIONS

The addition of an adjuvant to some pesticides may increase the risk of phytotoxicity to certain susceptible crops, especially during periods of high humidity or other circumstances which may increase the activity of spray solutions. Care should be exercised when using on new varieties or crops not previously treated with **GAUNTLET**.

MIXING INSTRUCTIONS

Add **GAUNTLET** after pesticides or other adjuvants are introduced to spray mixture but prior to completing the filling of the spray tank. Before making large scale applications, conduct a jar test containing all ingredients to confirm compatibility.

GAUNTLET IS NOT FOR AQUATIC USE

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Store product in original container only, away from other pesticides, fertilizers, food or feed. Store in a well ventilated place. Keep container tightly closed. Store above 25° F. Keep cool. Do not allow water or other chemicals to be introduced into contents of container. Do not use or store near open flame.

DISPOSAL: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents / container in accordance with local / regional / national regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of INNVICTIS CROP CARE, LLC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold INNVICTIS CROP CARE, LLC and Seller harmless for any claims relating to such factors.

INNVICTIS CROP CARE, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or INNVICTIS CROP CARE, LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INNVICTIS CROP CARE, LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent consistent with applicable law, neither INNVICTIS CROP CARE, LLC nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF INNVICTIS CROP CARE, LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INNVICTIS CROP CARE, LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT.

INNVICTIS CROP CARE, LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of INNVICTIS CROP CARE, LLC.
