Storage & Disposal:

Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

In case of emergency call CHEMTREC 1-800-424-9300

PRODUCT INFORMATION

VITACROP ZMB is designed to aid in establishing crops and plant growth.

DIRECTIONS FOR USE

VITACROP ZMB is used as a coating on dry fertilizer blends. To reduce risk of crop injury, do not store or apply fertilizer treated with *VITACROP ZMB* in direct contact with seed. A soil and/or tissue test are recommended.

Use in accordance with label instructions and/or the recommendations of a qualified individual or institution such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

APPLICATION RATE RECOMMENDATIONS

Application rates may be based on soil and/or tissue tests along with recommendations from a qualified individual or institution. *VITACROP ZMB* retention levels on dry fertilizer blends will vary based on several factors including the quality of the dry fertilizer, level of dust with the dry fertilizer and presence of liquid additives. *VITACROP ZMB* retention rates on many common dry fertilizer blends range from 0.3% to 0.8% by weight. The use of liquid additives may increase retention. Always use a blend test to determine the coating capacity of *VITACROP ZMB* on dry fertilizer blends.

STORAGE & DISPOSAL

Store locked up. Store product in original container tightly closed, upright, in a dry place. **DO NOT** store in excessive cold or heat. **DO NOT** reuse container. **DO NOT** contaminate water, food or feed by storage or disposal. Triple rinse or equivalent and dispose of container in accordance with local, state, and federal regulations. **Warning:** This product contains boron and should be used only as recommended. The use of this product on any crops other than those recommended may result in serious injury to the crop(s).

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS Bioscience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions for Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS Bioscience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS Bioscience Plant Health Technologies makes no representation, warranty, or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS Bioscience Plant Health Technologies or the seller of the product is authorized to amend the terms of this warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS Bioscience Plant Health Technologies maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS Bioscience Plant Health Technologies shall not be liable for consequential, special, or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
