

STORAGE AND DISPOSAL

Store in a cool, dry, well ventilated location away from incompatible materials. Store locked up. Keep containers closed when not in use. Protect from physical damage. Dispose in accordance with all local, state and federal regulations.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

Covered by one or more of the following: USA Patent #7,410,522 and #7,445,657

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.

KEEP OUT OF REACH OF CHILDREN

DANGER

PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use.

HAZARD STATEMENTS

Causes serious eye irritation. May cause cancer by inhalation.

PREVENTION

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash thoroughly after handling. Wear eye protection and protective gloves. Wear a dust mask and handle product in well-ventilated area.

RESPONSE

If exposed or concerned: Get medical attention.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.
If eye irritation persists: Get medical attention.

PRODUCT INFORMATION

Coating on Fertilizer Blends: This product is used as a coating on all dry fertilizer blends. Application rates and timings should be based on soil and/or tissue tests, as well as recommendations from a professional agricultural consultant. Retention levels of *VitaCrop Zn* on dry fertilizer blends will vary. Factors affecting the retention level include the quality of the dry fertilizer, the level of dust within the dry fertilizer and the presence of liquid additives. Humic acids may aid in micronutrient uptake.

DIRECTIONS FOR USE

VitaCrop Zn is a micronutrient product designed to aid in crop establishment and plant growth. As a general guideline, the retention rates of *VitaCrop Zn* on many common dry fertilizer blends range from 0.3 to 1.0% by weight. Liquid additives may increase the retention of *VitaCrop Zn*. To determine the coating capacity of *VitaCrop Zn* on your dry fertilizer blends, always use a blend test. For additional information, consult with your local crop advisor.
