

ADJUVANT

DRIFT REDUCTION AGENT

PRINCIPAL FUNCTIONING AGENTS:

Soybean oil methyl ester, petroleum hydrocarbons,
alkyl phenol ethoxylate 99.7%

CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS: 0.3%

TOTAL: 100.00%

Contains petroleum distillates

All ingredients exempt from the requirements of a tolerance under 40 CFR 180.

TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION;
IT IS LABELED UNDER PREVIOUS REGULATIONS.

In case of emergency call CHEMTREC 1-800-424-9300

KEEP OUT OF REACH OF CHILDREN
CAUTION

Read Entire Label Before Using This Product

PRECAUTIONARY STATEMENTS

CAUTION: Avoid contact with skin, eyes or clothing. Keep out of reach of children. Read label before use. Keep container tightly closed. Keep only in original container. Wash hands thoroughly after handling. **DO NOT** eat, drink or smoke when using this product.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear: Wear splash proof goggles or eye protection and gloves. Always read and follow precautions on most stringent tank mix partner label.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. **DO NOT** give anything by mouth to an unconscious person. **DO NOT** INDUCE VOMITING.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible.

PRODUCT INFORMATION

The degree of drift hazard varies with the type of pesticide, application conditions and the vegetation near the treated area.

VELOMAX DRT is formulated to be a drift reduction technology (DRT) that helps to prevent droplet shearing into fines that may move off target to sensitive areas. Wind tunnel testing has shown that when CPT™11TT type nozzles are used with **VELOMAX DRT** in aerial spraying, a uniform droplet size range is generated.

VELOMAX DRT does not produce extra coarse spray droplets like polymer drift products. Always follow the directions on the most restrictive label of the tank mix. Tank mixtures should only be applied within the label recommendations of every product in the tank mixture. **NOT FOR AQUATIC USE.**

Use only if a drift reduction agent is allowed or not excluded on the tank mix partner label(s).

VELOMAX DRT may be applied through direct injection systems when pumped with proper amount of water. **DO NOT** pre-mix with emulsifiable concentrates or aqueous solutions.

NOTE: When combining new or unfamiliar components in any tank mix, the applicator should conduct Phytotoxicity and jar tests to ensure compatibility and avoid damage to non-targeted species.

Order of addition:

In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. **VELOMAX DRT** or other adjuvants

Prior to mixing, you should fill your spray tank with half of the carrier that you intend to use. Then start the sprayer and check to make sure that all valves and gauges work and that you have proper tank agitation.

APPLICATION RATE RECOMMENDATIONS

Aerial and Ground Spraying: Herbicides: 4 – 6 ounces of **VELOMAX DRT** per acre

NOTE: **DO NOT** exceed 1% v/v of the spray solution.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool well-ventilated place. Keep in original container tightly closed. **DO NOT** reuse empty container. **DO NOT** store with food, feed, or other material to be used or consumed by humans or animals. **DO NOT** contaminate water supplies. For optimal storage, store between 40° and 90 °F.

DISPOSAL: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents / container in accordance with local / regional / national regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of INNVICTIS CROP CARE, LLC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold INNVICTIS CROP CARE, LLC and Seller harmless for any claims relating to such factors.

INNVICTIS CROP CARE, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or INNVICTIS CROP CARE, LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INNVICTIS CROP CARE, LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent consistent with applicable law, neither INNVICTIS CROP CARE, LLC nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF INNVICTIS CROP CARE, LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INNVICTIS CROP CARE, LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT.

INNVICTIS CROP CARE, LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of INNVICTIS CROP CARE, LLC.
