

## IRRIGATION INJECTION SURFACTANT

### CONTAINS NON-PLANT FOOD INGREDIENT(S)

#### ACTIVE INGREDIENTS:

- 80% Ethylene oxide-propylene oxide copolymer
- 4% Alcohol ethoxylates

#### INERT INGREDIENT

16% Water

100% TOTAL

## KEEP OUT OF REACH OF CHILDREN WARNING

#### HAZARD STATEMENTS

Causes eye irritation.

#### PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label on hand. Keep out of reach of children.  
Read label before use.

#### PREVENTION:

Wash hands, face, and other affected areas thoroughly after handling.  
Wear protective gloves, protective clothing, eye protection and face protection.  
Take off contaminated clothing and wash before reuse.

**IF ON SKIN:** Wash with plenty of water. If skin irritation occurs get medical advice/attention.  
**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
**If eye irritation persists:** Get medical advice/attention.  
**If skin irritation occurs:** Get medical advice/attention.

In case of emergency call CHEMTREC 1-800-424-9300

#### GENERAL INFORMATION

*SALIVATOR* is a unique blend of water management chemistries designed to improve the omnidirectional movement and growing environment for the targeted crop.

#### DIRECTIONS FOR USE

Always apply *SALIVATOR* in accordance with label instructions. Follow the application guidelines below.

#### APPLICATION RATE RECOMMENDATIONS

Apply *SALIVATOR* at the time of planting or any time throughout the growing season. For best results, inject *SALIVATOR* through an irrigation system, utilizing drip tubes, tape, or micro emitter heads. Do not apply *SALIVATOR* through earthen ditches. Prior to adding *SALIVATOR* to irrigation injection tanks containing water conditioners or plant nutrients, perform a jar test to ensure compatibility. Always use back-flow prevention when injecting *SALIVATOR*.

#### USE RATES

Apply *SALIVATOR* at the rate of 1 quart per acre (2.34 liters per hectare). Subsequent applications can be made at the rate of 1 pint per acre (1.17 liters per hectare) or increased to meet the needs of the crop, based on environmental conditions.

#### APPLICATION INTERVAL

The time between applications may vary by crop, soil type or crop response to environmental conditions. The use of a soil tensiometer is encouraged to determine the required irrigation interval.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

#### STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm to room temperature before use. Store product in original container tightly closed, upright, in a dry place. **DO NOT** store in excessive cold or heat. **DO NOT** reuse container. **DO NOT** contaminate water, food or feed by storage or disposal. Triple rinse or equivalent and dispose of container in accordance with local, state, and federal regulations.

#### WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
