

AMMONIUM SULFATE DRY BLEND

PRINCIPAL FUNCTIONING AGENTS:

Sodium and ammonium salts of sulfuric acid, 2-hydroxy-1,2,3-tricarboxylic acid 100.00%
TOTAL: 100.00%

KEEP OUT OF REACH OF CHILDREN
DANGER

HAZARD STATEMENTS

Causes severe skin burns and eye damage.
Causes serious eye damage.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

DO NOT breathe dust/fume/gas/mist/vapours/spray.
Wash hands, face and other affected areas thoroughly after handling.
Wear protective gloves/protective clothing/eye protection/face protection.

Response:

IF SWALLOWED: rinse mouth. **DO NOT** induce vomiting.
IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing.

Rinse skin with water/shower.

Wash contaminated clothing before reuse.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

Immediately call a POISON CENTER or doctor/physician.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

Storage:

Store locked up.

Disposal:

Dispose of contents/container to Local, State and Federal Regulations.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

IF SWALLOWED: Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. **DO NOT** give anything by mouth to an unconscious person.

IF OF SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

VIXEN-D is a water conditioner/ammonium sulfate blend of acids and acid salts to form a superior, low-rate designed to generate the performance equal to ammonium sulfate at a lower use rate.

VIXEN-D is formulated to diminish the interference of hard water ions (such as calcium, magnesium, and including iron). **VIXEN-D** will perform well with all formulations of glyphosate and other products that call for ammonium sulfate in the tank mix.

VIXEN-D does not contain any surfactant and may be used on cotton for glyphosate sprays.

VIXEN-D is used to treat water to get the most out of herbicides by reducing pH, complexing, and sequestering hard water ions. Weak acid herbicides such as dicamba and 2,4-D and other and salt base herbicides, will be improved by the addition of **VIXEN-D** to the spray tank.

VIXEN-D reduces the pH of the spray solution, and should only be used with products that allow and are compatible with acidic conditions

Lbs./100 gallons	pH of solution
Start	7.1
0.25	2.9
0.50	2.5
0.75	2.4
1.00	2.3

DIRECTIONS FOR USE

VIXEN-D may be used for pest control products used in agriculture, non-crop, industrial, right-of ways, forestry, turf and ornamentals that allow the addition of acidic ingredients.

Always add **VIXEN-D** to spray water, before adding pesticides.

VIXEN-D may be used for applications made by air or ground.
DO NOT use in aquatic applications.

MIXING RATES

VIXEN-D may be used as an ammonium sulfate substitute with pest control products that advise or require the addition of ammonium sulfate. Two pounds of **VIXEN-D** has established in field trials that it provides results equivalent to 8.5 of ammonium sulfate.

SUGGESTED USE RATES

Herbicides, Desiccants and Defoliants:

2 to 4 lbs. per 100 gallons of spray mixture.

pH Reduction for Insecticides:

0.25 to 1.0 lb per 100 gallons of spray mixture.

The lowest rate can be used if weeds are young or actively growing. Use elevated rates when weeds are large or hardened off due to stress or warm weather.

Fill spray tank about half full of water and begin stirring. Add the **VIXEN-D** to spray tank first. Continue mixing and add pesticides and other mix tank partners to spray tank while continuing to fill.

STORAGE AND DISPOSAL

Store in a cool, dry place, in the original container. Completely empty bag into spray tank, and if feasible, rinse during mixing and loading, then offer container for recycling or dispose of in a sanitary landfill. Dispose of container in a safe manner in accordance with federal, state, and local regulations. **DO NOT** contaminate soil or water when cleaning equipment, or disposing of equipment wash-waters.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of INNVICTIS CROP CARE, LLC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold INNVICTIS CROP CARE, LLC and Seller harmless for any claims relating to such factors.

INNVICTIS CROP CARE, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or INNVICTIS CROP CARE, LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INNVICTIS CROP CARE, LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent consistent with applicable law, neither INNVICTIS CROP CARE, LLC nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF INNVICTIS CROP CARE, LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INNVICTIS CROP CARE, LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT.

INNVICTIS CROP CARE, LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of INNVICTIS CROP CARE, LLC.
